

## Canines Uncorked surpasses goal!

It was great to see so many CARE "alumni" at last month's Canines Uncorked, and we made many new friends! We're thrilled to share that we surpassed our initial fundraising goal and YOU made it possible.

We are most grateful to [Ashton Creek Vineyard](#) for hosting our inaugural annual event. Many thanks to our sponsors, especially top tier sponsors [Randolph's on the River](#), [Village Bank](#) and [Savoy Properties](#).

The live music was great and the wine was divine. Beth Eaton was responsible for our awesome line up including Hot Tea, The MelBays and Don't Blame Me, all which donated their time to support our efforts.

Planning has already begun for the 2020 event, and we can't wait to see you and the pooches again!

## Upcoming Events

### ***Yard Sale***

*September 7\*, 9am-1pm*

1906 Bishop Rd  
Richmond, VA 23230

**Year-to-Date Adoptions:**

**182**

## The Golden Girls - Sadie and Penny

Sadie and Penny are two older gals who joined CARE when their owner passed away. Both came in with immediate medical needs and funding efforts are underway. Sadie, who we believe is around 8-10 years old, had mammary tumors that have now been removed, and we have had her spayed.

Your support for Sadie and Penny, and all rescue dogs with medical needs, is critical to making certain each dog's story has a happy ending. Please consider a donation via PayPal to "carerescue@aol.com", through our [website](#) using a credit or debit card, or by mailing your gift to Post Office Box 575, Sandston, VA 23150.

No amount is too small, and each gift provides medical assistance that might not otherwise be possible.

## Meet Marcus...

Marcus is a beautiful male shepherd mix that CARE rescued on the day he was to be euthanized in a SC shelter. Less than two years of age and otherwise healthy, Marcus deserved a hero, and a chance to be a beloved pet.

In the past 14 months, Marcus joined the home of Sally and Ken, CARE foster volunteers. There he has been given the love of a family, and has done well living with both cats and dogs. He loves grown people, but not children. He has been trained through 2SpeakDog, walks well on a leash, rides well in a car and is housebroken.

Marcus had heartworms when he was rescued, but he has been treated successfully and is now heartworm free!

It's time for Marcus to find a permanent home and family. He is heartworm negative, up to date on all vaccines, neutered, microchipped and weighs 65 pounds. To meet Marcus, send an email to [carerescue@aol.com](mailto:carerescue@aol.com).

## Adoptable Dogs and Puppies

Check out all of our adorable dogs and puppies available for adoption on our [website](#).

## Support Needed for our Annual Auction

In October, we will launch an annual online auction to benefit the dogs of our rescue. To make the event as successful as possible, we are seeking help from the CARE community. That's YOU!

How can you help, you ask? By donating items for the event! What are we seeking? Art, antiques, home decor items, pet items, gift cards, certificates for services like oil changes, hair cuts, yard work, photography and pet sitting. Do you have wonderful gifts that were

given to you that you just cannot use? We want them! Do you own a business that can donate items or services? We need them! Do you have family and friends that just love animals and may be willing to donate items? Ask them!

All items must be received by Sunday, September 22. Pick up in the Richmond area is available. We are so grateful for the support the CARE community showers on us, and hope to have an awesome experience! Please send an email to [carescue@aol.com](mailto:carescue@aol.com) or contact us through [Facebook](#) if you can help.

## Volunteers

Beverly C. first visited CARE considering adoption, and became a volunteer in September, 2012. She is CARE's longest serving volunteer, has fostered and adopted, transported, worked adoption events, and serves on the Board of Directors. Her longtime commitment to animal rescue has helped save countless lives.

Beverly has a passion for animals, a very tender heart and an eye for detail. She, along with her husband, Jim, are truly passionate about our mission.

CARE is anxious to welcome new adult volunteers! If you would like to join our team, please send us an email to [carerescue@aol.com](mailto:carerescue@aol.com) or fill out our [online volunteer application](#).

## Shop 'til you Donate!

Did you know that you can help CARE every time your shop at Kroger? Just link your Kroger card to CARE. Follow these easy steps:

1. Sign into [Kroger Community Rewards](#) page
2. Click on "View Details" under "I'm a Customer Want to enroll in Community Rewards?"

3. Search for "Capitol Area Rescue Effort" or organization Vi639 (that's an "i" not a "1") and click the button to Enroll.
